Fair Takes Precedence.

Fair week supercedes all social events for this week. The fancy work clubs are, of course, far more interested in their exhibits and the completed work than in any active work for the next few days, and all Guthrie is planning to attend the fair daily.

Musical at Stuart McKay Home.

On Saturday evening the sales force of the Williamson-Halsell-Prasler Co. were the honor guests at a musical given by the Guthrie manager, Mr. Stuart McKay and Mrs. McKay. The entertainment marked the close of a six months' contest among the salesmen and prizes were presented to the wives of the most successful contestants. The musical program consisted of piano numbers by Miss Ada Hewitt and Miss Mildred Davis, a violin solo by Miss Bertha Laffin of Chickasha, and vocal solos by Miss Alleen Dunn. The young ladies, who rendered the pleasing program, also assisted Mrs. McKay in serving the delicious two-course luncheon which brought the evening's pleasure to a close. Those of the sales force present were: Mr. and Mrs. W. Hron, Mr. and Mrs. Frank Donnelly of Prague, Mr. and Mrs. Owen Nisbett, Mr. and Mrs. R. F. Hawkins, Mr. and Mrs. I. N. Douglass and Mr. George Doughty; and of the office force, Mr. and Mrs. E. S. Rexroad, Mr. and Mrs. V. O. Benson; Mrs. E. J. Doughty; Misses Mae Doughty, Johnson; Messrs. Joe Hampton, McMillan, Wulff and Oldham.

Federated Club Will Soon Be at Work.

Before the first of October practically all the study clubs will have begun active work for the fall and winter months; the Altrurian club is one exception as the study of the warring nations will be again taken up by that club on the first Thursday of October. The Cambridge club season opens on next Monday, the twentieth, and the Shakespeare club will begin the reading of Henry VI, part one, on Tuesday, September twenty-eighth. On Thursday of the same week the Acorn club will begin its year's work.

Motored to Bliss.

Mr. and Mrs. Lyman J. Gray and Mr. and Mrs. Maurice O'Rourke and children motored to Bliss yesterday and spent the day at the 101 Ranch.

Domestic Science Club to Meet Next Week.

On September twenty-fourth, the Domestic Science Club will begin this season's work with a program on casserole cookery at the home of Mrs. Alma Farris. Mrs. Farris' assisting hostesses will be Mrs. George Speer, Mrs. E. S. Lowther, Mrs. Reder, Mrs. C. C. Clothier, Mrs. Trapnell and Mrs. W. J. Dibbena, while the leader for the afternoon will be Mrs. E. J. Doughty.

Miss Clara M. Hoyt, president of the Cecilian club, held a business meeting of the club in her studio, this afternoon at four o'clock.

Miss Blanche Beland Hostess.

Miss Blanche Beland was hostess to the Phi Delta Gamma club at last Saturday's meeting. Mrs. Lloyd Leonard carried away the honors in the auction game and Miss Beatrice Lewis and Miss Muriel Van Hoozer shared with the club members in the pleasures of the afternoon, which was brought to a close with an especially dainty ice course. Next Saturday afternoon Miss Alma Watkins will be the club hostess.

Mrs. Fred Cragin and Miss Lexey Jane accompanied Summer Cragin to Lexington, Mo., this morning. Summer will enroll at Wentworth Military academy for the ensuing school year.

Entertained at Auction.

The Koonsey Mooney Shah club was entertained on Saturday afternoon by Miss Beniah Cayolt. Miss Katherine Stainback and Miss Florence Adler played auction with the club members, Miss Stainback winning the guest's favor. Mrs. Will Patterson the club prize and Miss Edith Hill, consolation. A salad course was served after the games, and Miss Catherine Cassidy invited the club to meet with her next Saturday.

Mrs. H. L. Smith and Mr. Philip Smith who have been visiting Mr. and Mrs. Sam Smith left this morning for Tulsa to spend several days with Dr. and Mrs. R. V. Smith before returning home to Kansas City. Mrs. Smith and Mr. and Mrs. Ed Ball will go from Kansas City to California where they will spend the winter.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TESTED RECIPES AT THE THEATRES.

Celery Roast.
Toast neat slices of bread, butter and trim the crusts from them. Drain, dry and broil small oysters till their edges begin to curl, then spread them over the toast. Sprinkle with salt and cover thickly with finely chopped celery. Pour a cup of hot cream sauce over the dish and place in the oven for a few moments. Serve very hot.

The Highland.
One of the best dog, monkey and baboon shows ever seen here was at the Highland last night. Mr. Murphy certainly is an artist in training animals as they do everything but talk. As the dogs stage "A Night in 'Old Town'" alone on the stage, they are dressed and act like human beings, the plot is well carried out and the story told is a scream from start to finish, tonight will be their last appearance in the city and should play to packed houses tonight.

Peach Cream.
Peel, stone and stew a dozen ripe peaches in a syrup made of half a pound of sugar boiled with half a pound of water. Add the kernels from the peach pits, and cook till the peaches are soft. Rub through a sieve and mix the pulp with a large cup of whipped cream and a tablespoonful of gelatine dissolved in a little cold water and pour in the mixture. Chill thoroughly and turn out when ready to serve.

After taking the third bottle of the Compound I was able to do my housework and today I am strong and healthy again.
